PERFORMANCE COMMITTEE 2012

ABM Mustafa,

Chairperson

114 Collyway, North Lauderdale, FL-33068

Dear Performer,

The time to look forward to the next year's Asian Festival is upon us! We are once again searching for performers to make the festival even better than previous years. Along with this letter you will find the 2012 application on the Asian Festival web site. Please take the time to provide all the requested information on the form, including a sample of your performance. If you are a returning performer take note that since the festival is run entirely by volunteers, individuals that are not familiar with your past performances may be reviewing your submission. As such, we request that you resubmit the sample with the 2012 application. Any applications received that are incomplete or late shall not be considered.

Advance submission of accompanying music (e.g. music for dance groups) is not required. If you submit your media by February 1, we will be happy to do a quality check of the media. However, it is the performer's responsibility to ensure the specific media to be used during the performance is in a common format that will work with normal media players.

This year we have only one document posted, which is in Microsoft Word format. To submit this form you may either:

- Print the document, complete it by hand, and send it to the address on the form.
- Complete the form digitally and send it to the email listed on the form.

We encourage all applicants to submit the form electronically via email. Do not forget to include a photo. Performance samples may be posted on a public video web site, such as YouTube. Any sites that require special registration will not be considered.

Additional details regarding the performance days shall be sent to you prior to the festival if you are invited to perform. All applicants shall be notified of their status by the end of February. We appreciate early applications but will otherwise look forward to hearing from you before January 31. To all of those performers that have performed previously, we look forward to seeing your name on an application again. And to all those performers that are new to the Asian Festival, we look forward to getting to know you.

Cheers,

Abm Mustafa

Performance Committee Chairperson
